Temple Inn & Suites

Site Plan

Site Name

The name of the site will be Temple Inn & Suites, and the proposed domain will be templeinnsuites.com. This domain according to Google Domains is available and costs $12 a year.

Purpose Statement

The purpose of this site is to show off the Temple Inn & Suits and allow possible temple patrons to see what they offer. The site will also allow customers to make a reservation, and will allow them to see contact information.

Target Audience

- Who: Members of the Church of Jesus Christ of Latter-Day Saint that wish to go to the temple in another area than their home, and need a place to stay.
- Age: 18 and up
- Income: Any income
- Motivation: The motivation is to provide a way for people to visit temples that they haven't before, and give them a wonderful place to stay.
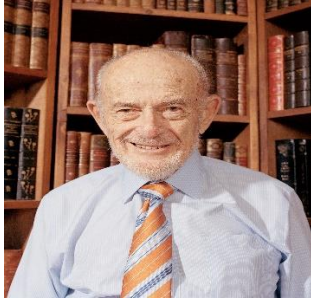

Personas

Charles Benson
